Child Art

This new and exciting engraved brick incorporates the imagination of children. Capturing the world through a child's eyes is priceless. Capturing a child's art on an engraved brick connects them and their loved ones to our park and community forever. *Available in 8"x8" Only*

Custom Logo

Become a permanent part of the new community fountain by purchasing a commemorative brick engraved with your company logo. Custom Logo and Child Art bricks come with two lines of text. *Available in 8"x8" Only*

REPLICAS ARE ALSO AVAILABLE

A "replica" is a duplicate of the installed engraved brick that is shipped directly to the purchaser for home or office display. Replica options include an engraved plaque affixed to the brick, felt dots on the bottom of the brick (protects surfaces), and a brochure or "congratulations" card inserted into the box with the replica. *Available in both sizes.*
